Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

November 27, 2007

Dear Sir:

It was recently discovered that a Notice of Abandonment was mailed May 29, 2002, a copy of which was never received from the United States Patent and Trademark Office. Further, a status inquiry was filed July 10, 2003, to which Applicant did not receive any response.

In response to the Notice of Abandonment, Applicants hereby respectfully petition under the provisions of 37 C.F.R. 1.181 and M.P.E.P. §711.03(c) for decision to withdraw the holding of abandonment.

The Notice of Abandonment indicates that this application was abandoned in view of Applicants' failure to respond to a Notification of a Defective Response dated May 18, 2001. However, a review of the file jacket for the present application, the contents of the file for the

11/28/2007 AUDNDAF1 00000099 000750 09700042  
01 FC:1464 120.00 DA

present application, and a Postcard indicating receipt of a response from the United States Patent and Trademark Office reveals that a response was filed to the Notification of a Defective Response dated May 18, 2001 on June 15, 2001.

The fact that a response was filed on June 15, 2001 is evidenced by **Exhibits I-III** attached hereto.

**Exhibit I** is a copy of the front page of the attorney's file jacket of Serial No. 09/700,043. The policy in our office is to record all information regarding Office Actions and responses on the front page of the file jacket. As the Petition Examiner will note, there is an entry with respect to the May 18, 2001 Notification of Defective Response indicating that a response was filed on June 15, 2001.

**Exhibit II** is a copy of the complete response found within the file jacket, including a complete Declaration, a copy of the Notification of a Defective Response, and a check in the amount of \$110.00, the fee required by the Notification of a Defective Response.

**Exhibit III** is a stamped postcard received from the United States Patent and Trademark Office indicating receipt of the Completion of Filing Requirements by the United States Patent and Trademark Office on June 15, 2001.

In view of the above-described facts, it is readily apparent that the abandonment of the present application was unavoidable and due solely to problems with the United States Patent and Trademark Office. Accordingly, this petition is being timely filed for the purpose of petitioning withdrawal of the abandonment in view of the above-stated facts.

It is further believed that no petition fee is necessary in connection with this petition. In the event that the petition fee is deemed necessary by the United States Patent and Trademark Office, it is respectfully requested that the fee of \$130.00 as set forth in 35 U.S.C. §1.17(h)(1) be charged to Deposit Account No. 08-0750.

In the event that any matters remain at issue in the application, the Examiner is invited to contact Donald J. Daley in the Northern Virginia area, for the purpose of a telephonic interview.

Respectfully submitted,

HARNESS, DICKEY AND PIERCE P.L.C.
